F.No. MS/1/ODC Block/2014

Dated: 21.6.2014

To,

All Medical Supdts/SMC/SSMC

Subject: **Secondary care referrals to ESI Hospital, Basaidarapur, N.Delhi.**

Sir/Madam,

Due to the ongoing construction activities in the ESI Hospital, Basaidarapur, the hospital is forced to vacate its old bldg, block having around 250 beds of Medicine, Pediatrics, Nephrology & chest department. There is no space in the hospital to accommodate these beds & services.

In present situation, it is not possible for the hospital to accept any case for secondary care & indoor admission from other state ESIC/ESIS hospitals & dispensaries like Haryana, U.P and Rajasthan(Bhiwadi).

All SMCs of nearby state of Delhi are requested to instruct their ESIC/ESIS hospitals & dispensaries not to refer any type of case to ESI Hospital Basaidarapur requiring secondary care & indoor admission.

This is to avoid inconvenience to the patients.

Yours faithfully,

21/6/14
Dr. R.D.Ojha

(Addl. Medical Superintendent)
